2010 February Newsletter

To be such a short month February is jammed packed! This month you will see themes about weather, groundhogs, shadows, hearts, love, past Presidents, Mardis Gras and dental health! Wow! See what I mean?

Feb. 17<sup>th</sup> is Ash Wednesday, the beginning of the Lenten season. Lent is the season of preparation for Easter. During these weeks of Lent, Christians try to get back into the healthy habit of daily prayer. Talk this over in your family. Maybe you can sing your praise in the shower or while tying your shoelaces. Pray the Lord's Prayer when you make your bed each morning or when you turn the covers down each night. Your good-morning and goodnight kisses can be acts of thanksgiving for the love that surrounds you.

Decide on some simple way to pray every morning and every bedtime, and then stick to it.

Any child with a fever will not be allowed to attend school. Please notify the school of illness immediately. Any/all contagious/communicable illnesses will be reported to the whole student body.
